UNITED STATES GOVERNMENT

## Memorandum

TO : Chief, Contact Division  
ATTN: Support Branch (Crowley)  
FROM : Chief, Minneapolis Office

DATE: 31 August 1962

SUBJECT: Cuban Refugee Group

1. Enclosed are three names provided by [redacted] of Cleveland, Ohio. These apparently are the leaders of the Cuban group which you and I have discussed in some detail. For the record, [redacted] got in touch with me because we had some rather extensive debriefing sessions in 1959, and apparently he prefers to continue that relationship for the present. Headquarters' records will show, however, that he was interviewed by Gene Rittenburg in September 1960.

2. The Cubans listed on the enclosure are the leaders of a small group which is shuttling back and forth to Cuba for the purpose of establishing reception groups, taking in medical supplies, ammunition and weapons, and to bring out other Cubans who wish to leave the country. As you know from our discussions, they are seeking help in the form of supplies, etc. [redacted] understands that no help will be given without some measure of control by our Agency, and he agreed to provide the names for Agency consideration. The third man on the list is in Cuba at the present time. [redacted] specifically requested that we treat any on-the-street investigation with great care.

3. Please expedite any checking you might do and give me your expression of interest as soon as possible. [redacted] is not an exceptionally patient man, and I certainly expect to receive an inquiry from him in the near future. I believe he is genuinely motivated and quite capable, and in his present position of recruiting executive personnel for [redacted] he could be quite useful to the Agency.
